

Come What May

Never knew I could feel like this
Like I've never seen the sky before
Want to vanish inside your kiss
Every day I love you more and more

Listen to my heart can you hear it sing?
Telling me to give you everything
Seasons may change, winter to spring
But I love you (I love you) until the end of time

Come what may... come what may
I will love you until my dying day

Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
Suddenly my life doesn't seem such a waste
It all revolves around you

And there's no mountain too high... No river too wide
Sing out this song and I'll be there, by your side
Storm clouds may gather, and stars may collide
But I love you, (I love you) until the end of time

Come what may... come what may
I will love you until my dying day
Oh come what may... come what may
I will love you (I will love you)

Suddenly the world seems such a perfect place

(Come what may) come what may...
(Come what may) come what may
(Come what may) I will love you
Until my dying day
