

Everlasting Love

This will be... an everlasting love
This will be... the one I've waited for
This will be... the first time anyone has loved me

I'm so glad... you found me in time
I'm so glad that... you've rectified my mind
This will be... an everlasting love for me

Loving you... is some kind of wonderful
Cos you've shown... just how much you care
You've given me the thrill of a lifetime
And made me believe you've got more thrills to spare, oh
This will be, an ev-er-last-ing love

You've brought the sunshine into my life
Filled with happiness I never knew
You gave me more joy than I ever dreamed of
& no one, no one, can take the place of you, ooh

This will be... you and me... yes siree... eternally
Hugging and squeezing and kissing and pleasing
together, forever, through rain or whatever, yeah... you and me
So long as I'm living, true love I'll be giving
To you I'll be serving cos you're so deserving yeah

Love, love, love, love,
Love, love love, love,
Love, love, love, love,
From now on... from now on yeah
From now on... from now on yeah
From now on... from now on yeah
From now on... from now on yeah
