

Maybe It's Time

V1

Maybe it's time to let the old ways die
Oh maybe it's time to let the old ways die
It takes a lot to change a man... Hell it takes a lot to try
Maybe it's time to let the old ways die

V2

Nobody knows what waits for the dead
Oh nobody knows what waits for the dead
Some folks just believe in the things they've heard and the things they've read
Nobody knows what waits for the dead

Br

I'm glad I can't go back to where I came from
I'm glad those days are gone, gone for good
But if I could take spirits, from my past and bring 'em here
You know I would... know I would

V3

Nobody speaks to God these days
Oh nobody speaks to God these days
I'd like to think he's looking down, and laughing at our ways
Nobody speaks to God these days

V4

Maybe it's time to let the old ways die
Oh maybe it's time to let the old ways die
It takes a lot to change a man... Hell, it takes a lot to try
Maybe it's time to let the old ways die

It takes a lot to change a man... Hell, it takes a lot to try
Maybe it's time to let the old ways die
