

## Get Lucky (Men & Altos)

Like the legend of the Phoenix... All ends with beginnings  
What keeps the planets spinning... The force from the beginning

We've... come too far... to give up... who we are  
So let's... raise the bar... and our cups... to the stars

She's up all night to the sun... I'm up all night to get some  
She's up all night for good fun... I'm up all night to get lucky  
We're up all night to the sun... We're up all night to get some  
We're up all night for good fun... We're up all night to get lucky  
We're up all night to get lucky... We're up all night to get lucky  
We're up all night to get lucky...

The present has no ribbon... Your gift keeps on giving,  
What is this I'm feeling?... If you wanna leave I'm willing, ah

We've... come too far... to give up... who we are  
So let's... raise the bar... and our cups... to the stars

She's up all night to the sun... I'm up all night to get some  
She's up all night for good fun... I'm up all night to get lucky  
We're up all night to the sun... We're up all night to get some  
We're up all night for good fun... We're up all night to get lucky  
We're up all night to get lucky... We're up all night to get lucky  
We're up all night to get lucky... We're up all night to get lucky

### ALL SING IN HARMONY
