

I Won't Give Up

When I look into your eyes.... It's like watching the night sky
Or a beautiful sunrise... well there's so much they hold
And just like them old stars... I see that you've come so far
To be right where you are... How old is your soul?

Well I won't give up... on us... Even if the skies... get rough
I'm giving you all... my love... I'm still looking up

And when you're needing your space... To do some navigating
I'll be here patiently waiting... To see what you find

Cos even the stars... they burn... Some even fall... to the earth
We've got a lot... to learn... God knows we're worth it
No I won't give up

I don't wanna be someone who walks away so easily
I'm here to stay and make the diff-er-ence that I can make
Our differences they do a lot to teach us how to use
the tools and gifts we got yeah, we got a lot at stake
And in the end you're still my friend at least we did intend
for us to work we didn't break, we didn't burn
We had to learn... how to bend... without the world... caving in
I had to learn, what I've got, and what I'm not, and who I am

Well I won't give up... on us... even if the skies get rough
I'm giving you all... my love... I'm still looking up, I'm still looking up
Well I won't give up... on us... God knows I'm tough... enough
We've got a lot... to learn... God knows we're worth it

Well I won't give up... on us... Even if the skies... get rough
I'm giving you all... my love... I'm still looking up
