

A Little Respect (Men & Altos)

I try to discover
A little something to make me sweeter
Oh baby refrain
from breaking my heart

I'm so in love with you... I'll be forever blue
That you give me no reason... Why you're making me work so hard
That you give me no, That you give me no
That you give me no, That you give me no
Soul... I hear you calling
Oh baby please, give a little respect, to me

And if I should falter
Would you open your arms out to me
We can make love not war
And live at peace in our hearts

I'm so in love with you... I'll be forever blue
What religion or reason... Could drive a man to forsake his lover
Don't you tell me no, Don't you tell me no
Don't you tell me no, Don't you tell me no
Soul, I hear you calling
Oh baby please, give a little respect, to me

Instrumental

I'm so in love with you... I'll be forever blue
That you give me no reason, You know you're making me work so hard
That you give me no, That you give me no
That you give me no, That you give me no
Soul, I hear you calling
Oh baby please, give a little respect, to me
I hear you calling
Oh baby please give a little respect to me
